Alex Wilson

Black Fox would like to thank Tim and Leslie Elgood of Tithe Farm, Fritchley for the use of their home during August 1995 for the first rehearsals of the music for this production and also to the John Watson School for rehearsal space.

Our grateful thanks go, as ever to Clive Hallett, the Governors and the teaching and caretaking staff of Wheatley Primary School for their patience, help and support.

EMERGENCY EXITS

The Emergency Exits are clearly indicated by lighted signs and are located on both sides of the hall and at the bandstand end (where you came in). If the Hall needs to be evacuated you will be asked to do so by the Front of House Staff. Please follow their instructions and remember there will be children and elderly members of the audience who may require assistance.

THERE IS NO SMOKING IN ANY PART OF THE SCHOOL
