Kerbed grave. At the head a base with curved shoulders topped with a tall Celtic cross. The arms of the cross are decorated with raised triquetra and the splayed support decorated with raised scrollwork:

**In loving memory of
Arthur Smith STURGES, M.A.
Vicar of this parish for 18 years.
Born May 14th, 1889
died May 28th, 1909.
So He giveth His beloved sleep.**

[There is an error on the stone: all other evidence states May 1889 was his induction, not his birth date].
