**Director's Notes**

The people who are unfamiliar with the story of Peter Pan, the boy who doesn't want to grow up, are few and far between. I fell in love with this musical version by Piers Chater-Robinson several years ago when I was involved in staging it with 'SANDS Theatre Arts School,' and thought it was an ideal show to put on with Wheatley Productions. The sheer size of the cast shows the enthusiasm for this production, not to mention the vast age range – 65 performers aged from 6 to ..... somewhat older! We have a talented, committed group of actors, singers, musicians and production crew who are delighted to invite you to "...Come away to the Never Land...second star to the right and straight on till morning!" Enjoy the show!
