

1181 Greystones old interior fittings

Listing states that this house may date back to mid 18C (so no earlier than about 1750)

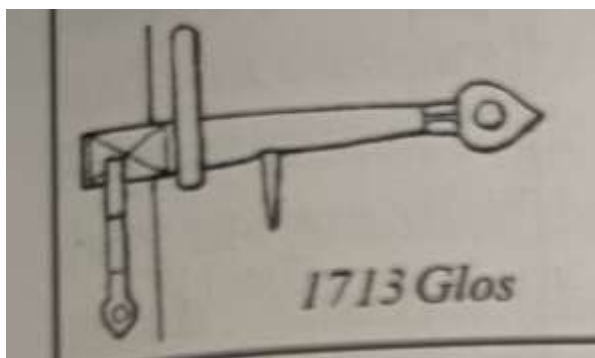

As inspected and appraised by Michael Heaton in April 2023 with comments based on Linda Hall 'Period House Fixtures & Fillings: 1300-1900'

This strap hinge could be very old, up to 300 years. The width of the individual timbers also suggests considerable age.

This also could be very old up to 300 years. The large pin on the right-hand side is similar to one in Figure 286, page 59, of the reference book as below

Again, this lock case *may be* very old
