Acknowledgments: The production team thanks the United Reformed Church, St Mary's and St Barnabas's churches and Wheatley Park School for rehearsal and performance space. We are glad of the support of St Barnabas School and Wheatley Primary School who gave us the opportunity to perform a 'trailer'. We are grateful to the school caretakers for their patience and co-operation and to many friends/victims in various capacities for the loan of lighting (Holton Players), props and costumes and help front of house, shifting the production between venues, box office and so on. We also thank our ticket sellers, Mates Hair Designs, Country Collections and Wheatley Perk and all who publicised the production, sold tickets and encouraged our audiences and the catering teams in both venues for the refreshments.
