

The book 'Roman and Saxon Wheatley' is dedicated to the memory of John Jackson, chairman of the Wheatley Society 1982/83 and in particular a key member of the Society's History Group for a number of years. He was very largely responsible for the organisation of the group's material into the books 'The High Street Wheatley' and 'Wheatley Church of England School'.

The Wheatley Society is grateful to John Jackson's family for their generous donation from his memorial fund which has made this publication possible
