Roger

We agreed to pay £10 to Sarah for this digital image which compliments the 1910 one which we already had. There are about 4 Wheatley people in the 1885 one identified via the 1910 one.

I have set up the payment, please authorise as second signatory by signing into the account and following the procedure for adding your approval.

Please let me know when done.

Thank you. You had not previously told me that it came from your late father's collection with his writing on the back and this, and the very kind comparison which you have done with your younger than my 83-year-old ones, have convinced me.

It is a wonderful addition.

Good morning Bill

Thank you SO MUCH for your most interesting talk yesterday evening full of your abundant enthusiasm and without a note.

We had no idea of the real story behind Dad's Army and it is amazing to know the steps that had been taken in our name to try and foil an invasion.

It left me wondering how UK got its act together after losing all the munitions and men in the very early stage, but this is another story presumably

I have set up the £60 payment to you, and invited a co-signatory to deal with this soonest.

Best wishes

Michael
